

AIM/R BOARD OF DIRECTORS

Candidate Application Form

Composition of Board

The Board of Directors consists of the officers, eight representative at large directors and one delegate from each recognized local or area chapter. The Executive Director serves as an ex-officio member of the Board without a vote.

Qualifications to Serve

Employees of regular member (rep) firms in good standing are eligible to serve on the Board. Not more than two representatives of one member firm can serve on the Board at the same time.

Election & Term of Office

Six months (November) prior to the expiration of the term of the officers and at large directors, a nominating committee is appointed by the President. The five-member committee consists of: Chairman of the Board, President, President-Elect and two Directors nominated by the president and confirmed by the Board. The committee, by majority vote, selects a slate of proposed officers and persons to fill expiring terms of office for election at the next Board of Directors meeting. The slate of nominees is to be submitted to the Board at least 30 days prior to the date of election. The elections take place at the spring Board of Directors meeting, which is usually held in April.

Time Commitment

Serving on the Board requires that you attend two board meetings each year. The meetings are held in conjunction with ISH/ASA and AIM/R's annual conference. The Executive Committee holds regular teleconference calls. Directors are notified of the calls and are welcome to attend, if available. A Director is assigned to each Vice President to assist with projects. And, volunteers will be solicited from time to time to serve on committees, to work on specific projects, and other association business/events.
